

## Welcome Families to Seesaw with a Video

Share a video of yourself or your classroom as a way to introduce yourself. Families see this when they connect to Seesaw so you can start building family engagement.

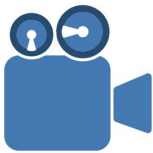

1

Post Student Work

Click the green add button then "Post Student Work"

2

Choose Video

Take a video of yourself or your classroom

3

Done ✓

🔗 Caption

Click the camera icon at the bottom of the screen to start recording  
When you're finished, click Done. Optional: Add a caption

4

All Students

Click the green check.  
Select 'All Students' so when families connect, all families will see this post
